# June & July Newsletter

Welcome to all our new campers and welcome back to the campers returning for yet another great season! This will be the 40<sup>th</sup> summer the Lawson family has owned and operated this campground! Herb and Carrie Lawson managed this park after buying it in February 1968 until retiring and turning the management over to Glenn and myself in 1996. On a sadder note we (Herb, Glenn and Susan) would like to thank our campers for their support with recent passing of my mother Carrie Lawson. So many of us have lost loved ones to cancer and other health problems so we're hoping to set aside an area in the park for a small memorial garden where a tree or shrub can be planted in the memory of a loved one. We are just beginning to search for available layouts for such a garden.

We are having difficulty finding full time lifeguards for this summer. If necessary, in lieu of a lifeguard, we will hire supervisors to enforce pool rules. This would mean all children under 12 years of age would require a parent or guardian over 16 to be present.

This spring we've already had a Spaghetti Supper, and a Pancake & Sausage Breakfast! If you missed these events hopefully you've heard how good the food was and will come to future events! As always it's volunteers who put so much of their time into making all these events a big success! We are always in need of more volunteers. Please consider volunteering for the future events.

## PLEASE REMEMBER

- Children under 18 may not wander about the park after dark. They must be properly supervised at all times and on a site by dark & back on their own site by 11:00 pm.
- While there is no charge for day visitors, there are fees for use of the pool and overnight guests.
- Remind your visitors that their pets are not permitted.
- Campers should have their pets under control at all times on their site and on lease off their site. Don't forget to scoop!
- You are responsible for keeping your site neat and tidy; this includes grass cutting & trimming.
- Speed Limit in the Park is 10 KPH for the safety of our children and respect for other campers. Visitors who speed will be asked to leave the park. Campers who continue to speed after warnings will not be renewed for the following season. Report offenders to the park office with vehicle description, site number and/or license plate number.
- Campers are requested to put their site number on your trailer so that it is clearly visible from the road for emergency vehicles to see.
- Garbage bins are provided for household waste only. The Hamilton Region no longer has regular large item pick up. If you have large items, enquire at office as to proper disposal options.
