**Brand:**

**Availability:** In Stock

### Short Description

The 2015 Forest River (Rockwood) Windjammer 3008W is a V-nose travel trailer. This trailer is located at the front of our campground. It's just a 2 - 3 minute walk to our pool & a 5 minute walk from the splash pad, pavilion & playground. The site is semi-shaded by mature trees and also includes a garden with perennial flowers. Everything you need is there outside to relax and enjoy the camping season outside including a large deck, trailer awning, hard roof gazebo. There's an attractive resin garden shed at the rear of the trailer.

The interior of the trailer is in mint condition. The kitchen is tucked in nicely in front V of the trailer. It allows the cook to fully participate in conversations with family and guests. The dining & living area has a double slide out so you can easily entertain several guests inside for the evening or on a rainy day. There's a queen size bed at the rear of the trailer and plenty of storage. The three piece bathroom with a large shower plus a storage unit for towels.

**Interior:** Corian countertops, a residential sprayer, electric fireplace,
